[For more information or to start a flexible tuition application through TADS, please visit our website.](#) Processed confidentially and separately, flexible tuition applications are due by the priority deadline. Families will receive notification of any awards in conjunction with an offer of admission.

Tuition Deposit

A nonrefundable deposit of \$1,000 is due upon signing the enrollment contract. The total fee is capped at a maximum of \$3,000 per family and is prorated for families receiving flexible tuition. The deposit goes directly towards the net tuition and secures your student's place.

New Student and International Student Fees

The new student fee is a one-time, nonrefundable fee of \$2,000 per new student. The total fee is capped at a maximum of \$4,000 per family and is prorated for families receiving flexible tuition. The international student fee is an annual fee of \$2,500 per student. Fees are incorporated into the tuition bill and will be invoiced in accordance with the payment plan selected in the enrollment contract.

ADMISSION DECISIONS

Admission Decisions

After all required documents have been received and the appropriate assessments have been completed, the file is reviewed by the Admission Committee. Admission decisions are communicated by phone and/or email.

Applicant Wait Pool

Due to high re-enrollment rates at Trinity and a large applicant pool, qualified applicants may be placed in a wait pool. The school does not rank applicants who are placed in the wait pool. If a space becomes available, the Enrollment Management Office will contact the parents of the candidate who is the best fit for that class by phone or email.

Late Applications

Received after the priority deadlines of Jan. 6 and Jan. 13, 2023

Applications received after the priority deadlines will be processed and considered as they are received. While most classes are filled from our initial applicant pool, we do occasionally have spaces available in the spring and summer. For specific questions, please contact the Enrollment Management Office. The school gives priority in the allocation of need-based flexible tuition to families who meet the priority deadline.
