Tuition Deposit

All returning families will pay a nonrefundable deposit of \$1,000 per student by February 1, 2024. The total fee is capped at a maximum of \$3,000 per family and is prorated for families receiving flexible tuition. The deposit goes directly towards the net tuition and secures a student's place.

For new families, a nonrefundable deposit of \$1,000 is due upon signing the continuous enrollment agreement by the commitment deadline of March 8, 2024 (TK–K), or March 20, 2024 (grades 1–12). The total deposit is capped at a maximum of \$3,000 per family and is prorated for families receiving flexible tuition. The deposit goes directly towards net tuition and secures a student's space.

Tuition and Fee Payment Policy

It is the policy of Trinity School to assess students for the entire academic year's tuition. The school obligates for salaries, tests, and maintenance on an annual basis. Therefore, parents have the financial obligation for full tuition whether or not the student completes the school year. Trinity School has made provision for a [Tuition Refund Plan](#) which is described on the website.

Tuition payment is made by execution of one of the following options:

- Option 1: **MONTHLY CONTINUOUS PAYMENT PLAN** that will begin April 2024 and end in March 2024 (1/12 of remaining tuition due after tuition deposit will be paid on a monthly basis; \$100 payment plan fee applies). Families choosing this option will be required to sign up for automatic payment.

- Option 2: **SINGLE PAYMENT PLAN** whereby the family must pay the full tuition by April 1, 2024, for returning and newly enrolled students, in order to receive a 1% full payment discount.
- Option 3: **TWO PAYMENT PLAN** whereby the family must pay half of tuition due on April 1, 2024, and the remaining tuition due on December 1, 2024. Families choosing this option will be required to sign up for automatic payment.
